

DS Applicable Rules

DS 1 Autonomous Mode Disciplines Track Marking

- DS 1.1 The markings of all dynamic disciplines will have the following characteristics:
- The track is marked with cones.
 - The left borders of the track are marked with small blue cones.
 - The right borders of the track are marked with small yellow cones.
 - Exit and entry lanes are marked with small orange cones.
 - Big orange cones will be placed before and after start, finish and timekeeping lines.
 - If not defined otherwise in chapter [D](#) of the rules, the maximum distance between two cones in driving direction is 5 m. In corners, the distance between the cones is smaller for a better indication.
 - The start, finish and timekeeping lines as well as keep out zones around the timekeeping equipment are marked with red, orange or pink paint.
 - Additionally for Skidpad and Trackdrive, track limit lines on either side of the track and entry/exit lanes may be marked with yellow, green or white paint.
 - There are no track limit lines for Acceleration and EBS-Test.
 - Timekeeping equipment may be surrounded by additional cones outside of the track boundary.
- DS 1.2 All lines are spray painted with the chalk-based marking paint “Technima - Tempo T.P.”¹ or similar.
- DS 1.3 The cones used at the event are equal to the cones listed in Table 1.

Table 1: Cone specs**DS 1.4**

There are the following limitations mainly resulting from track conditions and organizational/authorizational issues:

- The lines may not be perfectly and continuously drawn.
- There may be further markings, to those mentioned above, that are not part of the track
(e.g. markings, including cone position markings, lines from other disciplines or different colored surface, etc.) on or close to the track which will not be removed by the officials.
- There may be (stacked) spare cones standing at the track side at distinguishable distance.
- There is time keeping equipment next to the track that could be recognized as cone.
- No special artificial landmarks are provided by officials. The team must not place additional landmarks on the track or inside the dynamic area.
- No map data is provided by the officials.
